

REMARKS

Claims 1-12 are pending in this application. By this Amendment, claims 13-20 are canceled. No new matter is added by this Amendment.

I. Reply to Election of Species Requirement

In reply to the Restriction Requirement, Applicants provisionally elect Group I, claims 1-12. In reply to the Election of Species Requirement, Applicants elect (1) the polyester species polyethylene terephthalate and (2) the insecticidal chemical 2,3,5,6-tetrafluorobenzyl-chrysanthemate.

Applicants submit that at least claims 1-5 and 7-12 read on the elected species, and that at least claims 1-5 and 7-12 are generic to all of the indicated species. It is submitted that upon allowance of the elected species, the remaining species, including the species of claim 6, should be rejoined with the present application and similarly allowed.

II. Conclusion

In view of the foregoing, it is respectfully submitted that this application is in condition for allowance. Favorable reconsideration and prompt allowance of claims 1-12 are earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,

James A. Oliff
